- This architect from Lucerne was one of the first protagonists of German-Swiss architecture in the 80s and 90s

This architect from Lucerne was one of the first protagonists of German-Swiss architecture in the 80s and 90s. His most recent and largest project is the sports arena in Lucerne in combination with a separate indoor swimming pool and two apartment buildings. This volume presents these projects and other buildings from the last four years. Text in English and German.
