Dark Cozy Secret Rooms is an illustrated colouring book that explores a gothic and vintage universe made of mysterious, detail-rich interiors. Dusty libraries hiding secret passages, winter greenhouses lit by stained-glass windows, alchemical laboratories filled with astral symbols, and attics packed with forgotten objects become immersive scenes to colour. Each illustration invites readers on a creative journey through shadows and wonder, combining relaxation and imagination.

Sara Muzio has worked in graphic design and illustration for over 20 years. She graduated in Anatomical Drawing and collaborated with graphic studios and publishing houses, becoming a scientific illustrator for Lumen Edizioni. Today she is one of White Star's most successful artists, having created numerous bestselling colouring books in recent years.
