• Forty-five design hotels and stylish holiday homes across Europe

For this carefully designed coffee-table book, Petite Passport founder Pauline Egge selected 45 lovely hotels (as well as some holiday homes) across Europe. Pauline travelled from Sweden to Greece and from Portugal to the Alps, and selected unique stays with an engaging backstory, a special decor and a truly inspiring style. All photos and texts in the book were taken and written by Pauline herself and will surely inspire every design lover to draft a travel destination bucket list.

Pauline Egge is the founder of Petite Passport, a stylish and successful website on design and travel with exclusive tips on magical places around the world that has grown into an online travel community. Under the name of Petite Passport, Pauline has also published 11 design travel guides and two magazines.
