Size	290 mm x 245 mm
Pages	134 Pages
Illustrations	140 color, b&w
Price	£29.99

The city of Barcelona is a benchmark in the international sphere of contemporary architecture. This fact is amply demonstrated by this book, which looks at the most notable buildings of the twenty-first century, created by such names as Ferrater, Herzog & De Meuron, Llinàs, Mateo, Meier, Miralles/Tagliabue, Moneo, and Nouvel.
