- A comprehensive insight into the work of Dirk Salz
- With most recent works published for the first time

In Equilibrium documents the most recent developments in the work of the artist Dirk Salz, with a focus on his multi-layered resin paintings. In addition, his project-based spatial interventions and the series of works deep dives and fadings are also discussed in detail. Accompanying texts provide context for Salz's work, particularly with regard to the philosophical aspects of his pieces. Together with photos documenting his working process, exhibition views, and close-up images, they facilitate a comprehensive appreciation of his oeuvre.

Text in English and German.

Dirk Salz was born 1962 in Bochum, Germany. After High School Graduation Salz studied engineering at RWTH Aachen. From 1979 to 1981 Salz got private lessons in painting, drawing and history of art. Since then he was continuously guided and educated by various artists. He started his own career in 2002.
