• Fully illustrated with 133 images and 41 plans

Inès Lamunière, Vincent Mas Durbec and Afonso Ponces de Serpa are head of dl-a, designlab-architecture, a leading Geneva-based architectural practice. Their designs convey a dedicated commitment to context and sustainability at all levels, transforming these concerns into distinctive and atmospheric buildings. Their unique control of architectural form and space, detail and materiality, is at the centre of their widely acclaimed projects.

Text in English and German.
