Dedicated to the groundbreaking work of Marcel Duchamp, this art book explores the life and artistic revolution of one of the most influential figures of twentieth-century art. Through a rich selection of major works reproduced in large format and in colour, the book traces Duchamp's radical redefinition of art, from his early paintings to his iconic readymades and conceptual experiments. Clear and accessible texts place his work within the historical and artistic context of modernity, highlighting the ideas and innovations that transformed the history of contemporary art.

Jean-Luc Chalumeau is an art critic and historian; he teaches art interpretation at the Institut des carrières artistiques (ICART). He directed the journal *OPUS International* from 1981 to 1995, and then the journal *Verso Arts et Lettres* until 2010. He is also the author of numerous monographs published by Cercle d'Art, including *Fauvism* and *Signac* in the Let's Discover Art collection, as well as writings on art such as *The New Figuration, The X Pop, The Force of Art, History of Contemporary Art* (Klincksieck), and now *Van Gogh.*
