- The Netherlands' best contemporary top architects
- The book for architecture fans
- Includes images and plans of impressive and modern architecture projects at home and abroad
- The successor to *Belgian Architects Today* 9789401491068

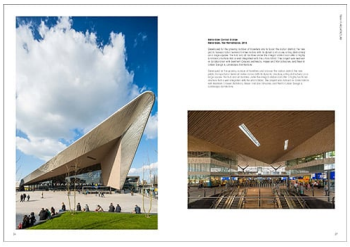

Architecture writer Agata Toromanoff introduces the Netherland's 40 most influential contemporary architects and a selection of their most celebrated buildings in full colour photography. This volume showcases works from the most famous Dutch architect-designers such as Benthem Crouwel Architects, Mecanoo, MVRDV, OMA, UNStudio, atelier PRO architekten, LEVS architecten, Paul de Ruiter Architects and many more. Several pages are dedicated to each architect, outlining their influences and ideas and revealing the designs that have brought them fame. Discover the true extent of the creative achievements that lie within the careers of these architectural giants. Captivating biographies alongside breathtaking photos. A book that is both informative and beautiful.

Text in English and Dutch.

Agata Toromanoff is a well-known design expert and art historian who has worked for art collectors and galleries. She has written extensively for the specialised art press and is the author of books on design, architecture and photography. In 2014 she founded*Fancy Books Packaging* together with her husband Pierre, fulfilling a common dream of making illustrated books.
