- Because of the unique photographic material the book has become very attractive and insightful for every garden lover

In this new book, the publisher presents the top gardens of eleven master gardeners from the Netherlands. The members of the *Association of Master Gardeners (Vereniging van Tophoveniers)* have voluntarily submitted themselves to high quality demands and want to bring their profession to the highest possible level. *Tophoveniers* guarantee top quality for the complete package, not only as garden contractor, but also as designer, advisor, and person to talk to. Among the participants are Harry Esselinck, Groenpartners Tuinen, Hoveniersbedrijf Louis van der Meijden and Rien Van Mierio. In this beautiful publication the focus is on the architecture of the gardens. Because of the unique photographic material the book has become very attractive and insightful for every garden lover. In order to give the reader a complete image of the work of their participants, the author shows gardens of different sizes and from different parts of the Netherlands. Text in English and Dutch.
