- More for less: In a practical format at an affordable price, the new illustrated books in the *Home inspiration* series offer all the more inspirational material
- Authentic interior design voices: With texts by renowned expert Claire Bingham and furnishing recommendations from well-known interior designers and brands
- A true treasure trove of inspiration for a more eco-friendly interior
- The continuation of the already existing series: the two Coffee Table Books complement four other titles and build on their design, offering readers the possibility of an elegant collection of real design pieces

It is no secret that a trip outdoors can work wonders for our well-being. We instantly feel more relaxed and alive; after all, nature offers a retreat to gather strength since time immemorial. It is no secret that a trip outdoors can work wonders for our well-being. We instantly feel more relaxed and alive; after all, nature offers a retreat to gather strength since time immemorial. The new coffee table book **Eco Materials** features calming and aesthetic interiors, innovative green design projects, and sustainable products. From wood to terracotta, from upcycling to sustainable paint: Eco Materials is a true treasure trove of inspiration for a more eco-friendly interior.

Text in English and German.

Claire Bingham is an interior design journalist and author who has been discovering, writing about and photographing fantastic homes for almost twenty years. Previously, she was home decor editor at *Elle Decoration*. She writes about interiors, travel, perfume and food for publications around the world, including *The Observer* and *Telegraph* magazines, *Architectural Digest* and *House & Garden*. She is also the author of numerous books. *More is More* was her eleventh book, with teNeues Publishing. It followed *A Scented World*, which was published in 2019. The inspirational books *Patterns* and *Modern Glam* were published in autumn 2022, *Colors* and *Scandi Style* in spring 2023.
