- Legendary photographer Elliott Erwitt captures the enchantments of Paris
- Both the intimate details of daily life and the grand vistas

Legendary photographer Elliott Erwitt captures the enchantments of Paris — both the intimate details of daily life and the grand vistas — with an eye that's witty, detached, and anti-romantic. A stunning tribute that succeeds in capturing all of the moods of one of the world's great cities.

Elliott Erwitt is one of the most prestigious photographers in the world. A street photographer legend, he is best known for his black and white candid shots of ironic and absurd situations within everyday settings — a master of Henri Cartier-Bresson's "decisive moment".
