- New book by top interior designer Eric Kant, focusing on fabrics and materials
- Luxury living on a new level
- Inspiration for new houses, renovations and restyling
- Class, beauty, craftsmanship and attention to detail

Eric Kant's work embodies classic beauty, craftsmanship and an eye for detail. He specialises in high-end interiors and well-being projects. In this new book, he focuses on the use of a variety of textiles and materials, showing how the best materials can turn your interior into a lush, warm and personal retreat.

Since 1993 **Eric Kant** has been a passionate and focused designer specialising in high-end interiors and well-being projects. His work can be found from the Netherlands to Dubai and the USA.
