Illustrations	128 color, b&w
Price	£33.00

- Focuses on fourteen site specific projects that found their home in the city of Barcelona
- With a substantial introduction by Kathy Halbreich, Associate Curator at MoMA, New York

From October 1989 until September 1995, fourteen site specific projects found their home in the city of Barcelona. Created by Christian Boltanski, John Cage, Jan Dibbets, Rodney Graham, Rebecca Horn, Jannis Kounellis, Richard Long, Mario Merz, Bruce Nauman, Sigmar Polke, Aureli Ruiz & José Maldonado, Ulrich Rückriem, and Lawrence Weiner, the works provided a significant overview of important installation work from the second half of the 20th century. This book documents the intense experience of the project, which was organised by the Espai Poble Nou Foundation.
