- Detailed insights into 25 extraordinary cruise routes
- Exclusive tips on the ports of call
- Comprehensive information about the ships, A28suites and on-board offers

Exclusive Cruises takes you into the world of the most beautiful and luxurious cruises worldwide. In this book, the experienced journalist and sailor's daughter Kiki Baron presents 25 fascinating routes that take extraordinary ships around the globe – from the majestic ocean liners of the Cunard Line to the exclusive yachts of Explora. Each chapter offers detailed insights into the unique suites, luxurious amenities and special offers on board. All rounded off with exclusive tips on the best harbours to visit during the voyage – from the historic coastal cities of Europe to the exotic islands of the Pacific. ***Exclusive Cruises*** is not just an illustrated book, but a source of inspiration for anyone who wants to explore the world in an elegant way. Aimed at both experienced cruise lovers and those planning their first trip at sea, the book offers a wealth of information and inspiration for an unforgettable experience on the high seas.

As a captain's daughter, **Kiki Baron** was born into the cradle of travelling and an interest in the sea and coasts. She has been travelling the world since childhood and has been writing about luxury and adventure travel for three decades: She has worked as an author for magazines such as *Feinschmecker, Mare* and *Vogue*.
