Have you ever seen a wolf in glasses before? Poor old Bernard the Wolf, he really can't see a thing! Would you engage onto wonderful adventures and help him? These series of search and find games will entertain children for hours of fun, while stimulating their visual and logic skills. Young readers will accompany Bernard the Wolf in these two new, very entertaining adventures to find the hidden animals as well as to resolve their riddles and find the answers to their quizzes. Readers will find the solutions to the games at the end of the book so they can check if they've succeeded in sharpening their eyesight and, more importantly, their brains! Ages: 6 plus
