**Fishing** is the inaugural volume in *Worlds of Wisdom: The Art of Living, One Insight at a Time*, a beautifully illustrated series that delves into timeless wisdom and ancient practices. Curated by Asher Erskine, this volume explores the serene art of fishing through a collection of proverbs, quotes, and reflections, inviting readers to immerse themselves in its contemplative nature. Each page is paired with bespoke illustrations, thoughtfully designed to evoke a deeper connection to the practice, whether you are a seasoned angler or a newcomer to the art. Through these reflections, *Fishing* offers an inspiring journey into patience, mindfulness, and the profound wisdom that lies beneath the surface of everyday life.

This first volume sets the stage for a series that will explore life's timeless practices—starting with fishing, followed by volumes on design and walking in the coming years.

**Asher Erskine** is an award-winning multidisciplinary designer based in London, United Kingdom. He currently serves as the Head of Design at E1 Series, the world's first electric race boat championship.
