Our sleek, portable case of 8 ball point pens. Our expertly printed pen set is made with coils of paper, making it softer and more ecofriendly than any other pen set. Fishing Boats by Claude Monet is one of a series of paintings observed at different times of day to record the light and colour reflected between the water and sky. This would be a great set that sits nicely with our Monet A4 Notebook. Each case contains 8 paper-wrapped pens in 2 designs, 4 of each, packaged in a sleek cigarette-case style box with magnetic flap closure.
