Our sleek, portable case of 8 ball point pens. Our expertly printed pen set is made with coils of paper, making it softer and more eco-friendly than any other pen set. *Fishing Boats* by Claude Monet is one of a series of paintings observed at different times of day to record the light and colour reflected between the water and sky. This would be a great set that sits nicely with our Monet A4 Notebook. Each case contains 8 paper-wrapped pens in 2 designs, 4 of each, packaged in a sleek cigarette-case style box with magnetic flap closure.
