Dive into the world of fishing with the first coffee table book on the subject in the successful *Ultimate Book* series. This photo book not only presents the history and basic knowledge of fishing but also showcases the diverse equipment from rods to reels, hooks to baits. Learn about various techniques such as spin fishing, fly fishing, and float and bottom fishing, all illustrated with stunning photographs. Embark on a journey to the most popular target fish such as Atlantic Salmon, Brown Trout, Brook Trout, European Perch, Black Bass, Northern Pike, Musky, Carp (Mirror and Common), while being enchanted by dream destinations for anglers. Explore the pristine lakes and rivers that make every angler's heart beat faster. Of course, the obligatory fisherman's tales must not be missing, bringing to life stories of the biggest catches and unforgettable experiences by the water. Overall, this photo book is not just a book but a way of life that captures the passion and magic of fishing in every line. An absolute must-have and the ideal gift for all who are captivated by the fascinating world of fishing.

Moritz Rott has been a passionate angler since the age of 13. In addition to his main occupation as a lawyer, he writes for fishing magazines and advises companies that manufacture fishing tackle and bait. He has made a name for himself as the successful author of the book *111 Gründe, Angeln zu gehen (111 reasons to go fishing)*. Moritz Rott's network in the angling scene extends far beyond national borders, with the mother country of angling, England, being particularly close to his heart.
