- Each wedding story is beautifully illustrated highlighting the regional themes and traditions behind each one

Wedding floristry has always been one of the most important fields of interest for florists all over the world. Time and again floral designers manage to redefine wedding bouquets, churches and table decorations. *Florever Wherever* presents around 15 complete wedding stories from 15 different countries. All weddings are decorated by world famous, top-class florists, all of them being spokespersons for the floral wedding traditions of their country. This magnificent publication will show every aspect of this unforgettable day: the bridal bouquet, corsages, bridesmaids, car decoration, church/venue decoration, table arrangements and the wedding party. A book that will have you lost in sweet reveries, a romantic feast for the eyes or a source of inspiration and a fountain of ideas for couples dreaming of chiming wedding bells. **Featured Florists:**
Moniek Vanden Berghe (BE), Daniel Santamaría I Pueyo (ES), Markus Donati (D), Jouni Seppänen (FIN), Robert Koene (GR), Kristin Voreland (N), Damien Koh (SGP), Giordano Simonelli (I), Mark Pampling (AU) and David Beahm (US).
