- An excellent addition to the author's two other bestsellers on the theme of love and marriage
- This book is overflowing with spontaneity and vision; a source of inspiration for florists and brides-to-be alike

As far as bridal flowers are concerned, florist Moniek Vanden Berghe needs little introduction. Always on the look for new ideas, Moniek draws inspiration from everything she sees, resulting in innovative designs and a dazzling diversity of elegant bouquets, boutonnieres, accessories, car and table decorations. She experiments with colours, shapes and different ways to carry a bouquet. All of Moniek's works are made with tremendous love and meticulous craftsmanship. *Flowers in Love 3* hands bridal ideas to florists and will inspire anyone who is soon to be wed and dreams of having a flourishing party. This book is overflowing with spontanaeity and vision; a source of inspiration for florists and brides-to-be alike, *Flowers in Love 3* is an excellent addition to the author's two other bestsellers on the theme of love and marriage.

*"Moniek is a uniquely creative talent. Her intriguing combination of materials as well as her technical creativity shows that she is a true visionary in floral design."***Diane MomnomotoAlso Available:***Flowers in Love* ISBN: 9789058561619 **£22.50***Flowers in Love 2* ISBN: 9789058562241 **£22.50**
