- A new *Ultimate Book* in the teNeues' *Sport Lifestyle* series alongside the Golf, Ski and Tennis titles
- A comprehensive look at the world's most popular sport!
- The perfect way to get in the mood for the 2024 European Football Championship – whether as a gift for the fan or to read on your own!

There's one topic that passionately unites people around the globe: football! No other sport is as accessible and can be realised with so few resources. No matter where you go, someone is surely playing football, and joining in is almost always allowed. It's no wonder that countless fan themes revolve around this topic, and they all find their place in the new coffee table book by Peter Feierabend and Bernd Pohlenz, **Football – The Ultimate Book**.

With meticulous comprehensiveness, the two authors in this entertaining illustrated book orbit football and all the societal expressions of the world's most popular grassroots sport. They showcase legends on the field, highlights from the best games in sports history, and the greatest football players, both men and women. The book also provides an overview of the various football associations and clubs, the World Cup, continental championships, and of course, presents the most beautiful goals.

In addition to the records of the sport itself, there's also a keen interest in the lifestyle associated with it. Because football is big business. Fan merchandise, ticket sales, and advertising revenue bring millions into the clubs' coffers every year. And the players themselves are a business and are scrutinised in this book. They are brand ambassadors, coveted models, and their hairstyles, tattoos, and fashion choices consistently make headlines.

Lastly, the two authors don't miss documenting the gossip side of football. So, in this book, you'll find funny anecdotes about lost balls and broken goals alongside spectacular accidents, scandals, and even a dedicated chapter about the beautiful player's wives, which is an essential part of this magnificent photo book.

For all football enthusiasts, **Football – The Ultimate Book** is a perfect gift, where even the biggest football fan will surely discover something new.

Text in English and German.

On almost every bookshelf, designer, editor, and author **Peter Feierabend** will find one of the approximately 3,000 book titles he has worked on, and it's far from Feierabend's end. Born in Hanover, he has lived in Cologne for 25 years after studying design at the University of the Arts in Berlin.
