- An exhibition catalogue showcasing the latest new talent in contemporary photography

Since 2011, fotofever has advocated contemporary photography through annual events, providing a platform to elevate new talents and promote the joy of collecting, supporting artists in their lifetime.

This accompanying exhibition catalogue presents the 8th edition of this annual event held at Carrousel du Louvre. More than 200 artists, 100 galleries and publishers from 20 countries across Europe, America and Asia, present the latest landscape of contemporary photography. And for the 180th anniversary of the invention of photography, fotofever unveils the boldness and creativity of the French scene.

Text in English and French.
