- Established in Paris since 1985, Frédéric Borel has developed a new approach to the urban question, through some emblematic buildings of a new architectural expressiveness

Frédéric Borel graduated from the Special School of Architecture in 1982, and afterwards became laureate of the PAN XIII, of Albums de la jeune architecture and the villa Medici horsles-murs. Established in Paris since 1985, Frédéric Borel has developed a new approach to the urban question, through some emblematic buildings of a new architectural expressiveness.

Text in English and French.
