Binding	Paperback / softback
Size	208 mm x 167 mm
Pages	68 Pages
Illustrations	70 color
Price	£19.90

- Presents buildings by the two Zurich architects Barbara Frei and Martin Saarinen

This volume presents buildings by the two Zurich architects Barbara Frei and Martin Saarinen. They are small precision pieces that are developed down to the smallest detail, such as the extension of a local cinema in a former school building, the conversion of a rectory or a residential building with a sophisticated spatial plan. Larger projects that are currently being prepared are also presented.

Text in German with an English insert.
