- Part of the *Mini Genius* book series
- Inspirational characters encouraging children to dream bigger!
- Suitable for ages: 4 plus

What inspired the work and works of geniuses like Leonardo, Einstein, Frida and Curie? These books aim to explain it to the little ones, presenting some of the greatest characters of the past in a funny and light-hearted way, to which children can easily relate. The great characters become the most powerful kind of inspiration, to push the little readers to dream a little bigger. Ages: 4 plus

Altea Villa is Philosophy Doctor in social history. She is a writer for children's magazines and books since 2018.**Fabrizio Di Baldo** graduated in 2001 with a degree in fine art and semiotics, before earning a PhD in illustration at the Comics International School and a second PhD in graphic design at the European Design Institute. He's an art director and illustrator.
