- A closer look at some of Fruehauf, Henry & Viladoms's greatest architectural achievements

Claudius Fruehauf, Guillaume Henry and Carlos Viladoms have different backgrounds, but run the Lausanne office together. Since 2008, all three of them have won a conspicuous number of competitions. Among their fully-realised constructions are a housing development with a very urban atmosphere, including a cruciform interior courtyard; and an unusual administrative building in St. Sulpice.

Text in English and German.
