Price	£34.95

- A monograph on the work of Sandra Giraudi and Felix Wettstein, an architect couple from Lugano

Sandra Giraudi and Felix Wettstein, another architect couple from Lugano, became renowned with the construction of a residential building in Cadro (1997), the laboratory building on the university campus in Lugano (2002) and the new concourse in Basel station (2003, with Cruz-Ortis, Sevilla). Sharply defined, finely shaped structures respectfully and yet pointedly combine with the evolved surrounding environment. Text in English and German.
