Dress up the unicorns and decorate the fun scenes with over 250 dazzling stickers! This enchanting book is full of unicorns to dress up with glittery stickers of fun accessories like wings and scarves. Use stickers to enhance the wonderful settings too, from the magical forest to the tea party to adventures over the rainbow. The stickers are removable, so you can change up the characters and scenes as much as you want! Ages: 4 plus

Sara Ugolotti studied architecture and illustration. She has specialised in children's books and now works as a freelance illustrator. In 2016, she was the winner of the Worldwide Picture Book Illustration Competition (VWPBIC), Netherlands; the "Judge Special Prize" at JIA Illustration Award, Japan; and a finalist at the Golden Pinwheel International Young Illustrators Competition, Shanghai, China. Her titles are translated worldwide.
