- Your baby's first book!
- The ideal stimuli from early visual development to first words
- The new addition to a best-selling collection

The perfect first book! Black, white and red are the first colours children see. This large board book features geometric lines and patterns with high contrast to help babies develop and explore their visual abilities. Then, subsequent pages present a variety of topics, from animals to home life, shapes to opposites, to keep stimulating young readers as they grow and learn to point and name new words! Ages 0+

Agnese Baruzzi holds a graduate degree in graphic design and has worked as an illustrator and author since 2001. Her books have been published in several countries around the world.
