From grandma to her grandchild with love: this fill-in keepsake journal is perfect for passing on family history. Grandma, what was your life like? This charmingly illustrated book will help grandchildren better know and understand their grandmother. On every page, grandma can collect and write down her thoughts, stories, experiences, and cherished memories. In addition to space for filling in the family tree and posting photos, questions throughout prompt her to discuss her childhood, wedding, honeymoon, birth of her children, and other precious moments. When the book is complete, it will be a record of the past the future generations will treasure forever.
