- Dramatic biographies of fifty famous generals and admirals of the Union and Confederacy, with full-colour portraits

Dramatic biographies of 50 famous generals and admirals of the Union and Confederacy, with full-colour portraits. Exciting illustrations of nearly seventy important battles, including the complete series of Kurz and Allison prints. Informative chronology of significant events illustrated with authentic documents. Accurate full-page maps show the location of every momentous battle of the Civil War. Official uniforms with rank and grade insignia and buttons. Authentic drawings of all the major weaponry, including muskets, rifles, revolvers, swords, and artillery.

And more!

Walton Rawls is the author of several celebrated books on American popular culture, including Abbeville's *Great Civil War Heroes and Their Battles* and *Wake Up, America!: World War I and the American Poster.* Trained at Harvard in American history and literature, Rawls was a contributor to the *Oxford Companion to American Military History.*
