- A profile of swiss practice GWJ Architecktur
- Fully illustrated with approximately 70 images and 30 plans

Based in Bern and Zurich, the practice GWJ Architektur consists of 50 people from 10 different countries. It aims to create sustainably attractive locations for individuals and society as a whole, constructing socially, economically and climate-compatible projects throughout Switzerland. For instance, the UVEK Campus, Ittigen is a modern reinterpretation of the renewable building material of wood. The Huebergass housing estate was commended by the UIA in the category "Sustainable Future".

Text in English and German.
