- A quality boxed notecard set with 16 cards (each with a different illustration) and 17 envelopes
- Illustrations drawn from botanical publications of the 18th and 19th centuries
- Continues Abbeville's successful series of notecard sets featuring botanical art: *The Trees of North America, Fruit,* and *Mushrooms*
- Perfect for gardeners, cooks, and gourmands
- Price does not include VAT

Parsley, sage, rosemary, and thyme. Ginger, cinnamon, cloves, and more. Add some extra savour, zest, or zing to your correspondence with these quality notecards, each of which is illustrated with a different colour engraving of a herb or spice from 18th and 19th century sources. The perfect stationery for the cook, gardener, or gourmand in your life. Each card measures 133 x 110 mm.
