- From the Amazon rainforest in South America to the Congo in Central Africa, find the animals hidden in each scene
- Use the special "flashlight" included in the book
- Suitable for ages 5 and up

From the Amazon rainforest in South America to the Congo in Central Africa, find the animals hidden in each scene using the special "flashlight" included in the book. Who's hiding in the grass? And what about the shadow in the branches of that tree? Thanks to the magic flashlight in this book, children will be entertained looking for more than 60 animals hidden in the wonderfully illustrated pages. Each spread highlights a different part of the world and provides bite-sized facts about the creatures found in that jungle. Ages: 5 plus

**Cristina Banfi** graduated in the field of natural sciences from the University of Milan and has taught at various schools. For more than 20 years, she has been working in scientific communication and teaching through play for children. **Lorenzo Sabbatini** is a freelance illustrator for various world-class publishing houses and advertising agencies.
