- The ***HOK Design Annual 2019*** is a valuable global trends reference source for design professionals, students, and architecture enthusiasts

The *HOK Design Annual 2019* highlights this leading global design firm's most exceptional recent work in architecture, interior design, planning, and urban design. The projects featured demonstrate the intersection between HOK's thought leadership in specialty areas – including aviation + transportation, healthcare, science + technology, sports, sustainable design and workplace – and its firm-wide commitment to research and design excellence. Geographically diverse, these projects represent a variety of scales and are technically advanced examples of how design can bring significant benefits to clients and the people who experience these spaces. The*HOK Design Annual 2019* is a valuable global trends reference source for design professionals, students, and architecture enthusiasts. It provides insight into the creative process of the design teams creating society's next generation of buildings.

HOK is a global design, architecture, engineering, and planning firm. Our people collaborate across a network of 24 offices on three continents. HOK designs buildings and spaces that respond to the needs of people and the environment. Our designers are rooted in technical excellence, driven by imagination and focused on a solitary goal: to deliver solutions that inspire clients and communities.
