- An outstanding selection of contemporary architect-designed houses from around the world
- Spectacular ideas for that new dream house
- The book emphasises and prioritises each project's images, and also features a varied array of large full-bleed photos

Houses Now: Living Style is a chic, modern book that showcases an eclectic range of contemporary homes, designed by an impressive selection of architects. Honing in on the subtleties of interior and exterior design, Houses Now also explores how specific architectural designs reflect living styles from suburban masterpieces and sprawling country homes, to sleek city residences and breathtaking beach houses. These houses demonstrate that, when it comes to residential design, your style is your signature. Professional full-colour photography is complemented by a vibrant book design. Also available: Houses Now: Material Style ISBN: 9781864705898.
