- Ibiza-style living
- Endless inspiration for Mediterranean interiors
- An overview of the island's most impressive interiors: from quintessential Fincas to modernist, minimalist design

With this beautiful book you will literally bring the summery hippy-chic 'Ibiza' atmosphere into your home. With the most beautiful interiors and stunning photography – where you can imagine yourself in the azure bays – *Architectural Digest* journalist Gala Mora offers you a unique look into the Mediterranean-inspired homes of top designers and creative minds. The interiors breathe sun, sea and beach. Enjoy beautiful design surrounded by breathtaking nature. Open spaces that seemingly flow without boundary into a terrace, garden or beach. Two hundred and fifty-six pages full of exclusive and archetypal interiors that reflect one hundred percent what the island's way of living stands for. **Ibiza Interiors** is the third volume in the successful urban interiors series for lovers of design, architecture and interior design.

Also available in the series: *London Interiors* ISBN 9789401485258; *Barcelona Interiors* ISBN 9789401485586.

**Gala Mora** is a freelance journalist for *Architectural Digest Spain*. **Carolina Amell** has more than 20 books to her credit.
