- A biking photo book to delight cycle fans and sports photography lovers
- 200 fascinating colour and black-and-white photos by the best cycling photographers
- Professional cyclists and passionate fans in spectacular landscapes — with thrilling texts on the roads, races, and the roar of victory

Biking inspires millions of people around the world, with an ever-growing fan base. With some 200 colour and black-and-white photographs, **Icons of Cycling** captures the thrill and fascination of this sport on two wheels.

Compiling the work of some of the best cycling photographers, the book breathes the spirit of cycling — as close and emotional as if the viewer were part of the race. Discover extraordinary shots of the peloton winding along alpine serpentine; exhausted athletes at the end of a stage; and unknown heroes from the team behind the team. A microcosm of ambition and passion, pain and glory, this is both a photographic artwork and a contemporary document of a thriving sport. A cherished collector's item for every cycle enthusiast.
