- Great masters and young promises of contemporary art, in the illy Art Collection, the renowned collection of designer cups created by illy

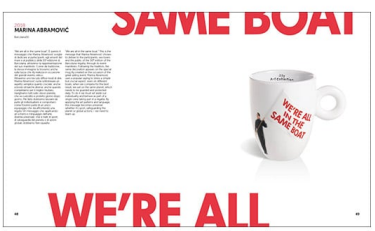

For 30 years illy has entrusted its iconic coffee cups to the hand of the protagonists of contemporary art, so that they interpret the white surface, to offer their own customers an experience that involves senses and mind. In these pages it's possible to retrace the history of the illy Art Collections: a collection of unique art objects for everyday use, which since 1992 brings together signed designer cups by over 120 internationally renowned artists.
