- ***In Focus*** is not just a book; it's a visual odyssey paying homage to the world's most exceptional architecture and interiors photographers

Step into a captivating world where the lens becomes a storyteller, and architectural marvels and interior masterpieces unfold with mesmerising clarity.

For the first time ever, this book brings together 50 of the world's best photographers specialising in architecture and interior design and showcases each one through portraits, interviews and a handpicked selection of their best images to date.

In Focus is not just a book; it's a visual odyssey paying homage to the world's most exceptional architecture and interiors photographers.

As the curated collection unveils the unique perspectives of each photographer, from the play of light on architectural structures to the intimate details of curated living spaces, readers are invited to witness the convergence of art and functionality. This tribute encapsulates the essence of architectural and interior photography, showcasing the visionaries who have dedicated their craft to immortalising the soul of spaces.
