- Focuses on the structural format when building or renovating a house

Instead of focusing purely on how to decorate your interior, this book looks mainly at the necessary structural format when building or renovating a house. Included are powerful interiors from architects such as Hans Verstuyft, Lieven Musschoot, Gino Debruyne and Buro 2. The stunning photography of Koen Van Damme is inspiring. His work has appeared in international magazines such as *Architectural Digest*, *Frame*, *A+U* and *Vimadeco*. He has been nominated for the Photography Masters Cup.

Text in English, French and Dutch.
