Binding	Hardback
Territory	World excluding Germany, Austria, Switzerland, the US & Canada
Size	310 mm x 240 mm
Pages	128 Pages
Illustrations	70 color
Price	£42.00

- Debut monograph of American photographer Alex Stoddard (*1993), with a yet unreleased series of 70 images!

INSEX is the debut monograph by the American photographer Alex Stoddard (*1993), in which he explores the parallels between metamorphosis in the natural world and human coming-of-age. Through staged, highly stylised images, Stoddard invites viewers into a colourfully dark world of budding sexuality and crawling insects. The previously unreleased series of 70 images paints a surreal picture of adolescence in a glorious frenzy of buzzing hormones and sprouting wings. Each scene features a youthful subject — often Stoddard himself — in a state of change or paired with a many-legged counterpart. **INSEX** marks the artist's first cohesive collection of work.
