"The books are true to the Polaroid aesthetic, and we 'like' it." – Elle Décor "Taking the best of Instagram and printing it, the Insta Grammar series of coffee table books prove there's a (physical) place for your favourite online images." – Vogue The Insta Grammar series steers clear of all clichés and shows you the most interesting corners of the highly popular social media website Instagram. After Cats, City, Nordic, Green, Graphic, Dogs, Unicorn and Cars, three new books now join the impressive series: Love, Cute and On the Road. Hitching a ride on the back of today's cute animal trend that's flooding Instagram, Cute shows you the most original posts and cutest images that will leave no one untouched. Love increases your heart rate and is the ultimate but just a little different wedding or Valentine gift, and On the Road compiles the coolest and most impressive travel images, scenic places, into the ocean or the northern lights.
