- The latest edition of the *International Floral Art* series
- Highlights the work of a new generation of floral designers
- A valuable resource that explores the latest trends and developments in this field

With 304 pages of striking floral arrangements, *International Floral Art 2016/2017* is another exceptional tribute to the wonders of floral art. An absolute favourite of many, the International Floral Art series has become an essential resource that reflects the diverse and ever-evolving floral art scene. Over 200 international artists, both up-and-coming and well-established designers, sent in their best designs. This splendid mix of backgrounds accounts for the extraordinary diversity and the refreshing mix of arrangements in this volume. Packed with artful and inventive new designs and showcasing many contemporary styles and techniques, this is a must-have for anyone interested in floral art, from those with fingers itching to create, to those who just want to stand back and admire the incredible talents of others.
