- Alongside the two coffee-table books *Denim* and *Animal Print*, **Dresses** is a tribute to the outlandish and beautiful world of dresses

**It's All About Dresses**, at least in the third volume of Suzanne Middlemass' street style series. As a backstage and street style photographer, Suzanne travels to the hottest fashion shows around the globe to document the craziest trends. In the process, she not only photographs the designers' fashions, but also casual outfits of stars, influencers or other visitors to the shows.

Now, finally, with her *It's All About* series, the photographer has sorted her work by theme for every fashion enthusiast and published it in a book series. Her testament to the flashy side of fashion shows is thus making its way into the living rooms of the world. The well-known fashion photographer Suzanne Middlemass regularly publishes her street style and backstage photographs in fashion and lifestyle magazines such as *VOGUE*, *Elle*, *GQ* and *Grazia*. Her work is also part of an international exhibition featuring the work of 50 female street style photographers. Alongside the two coffee-table books *Denim* and *Animal Print*, **Dresses** is a tribute to the outlandish and beautiful world of dresses. For all lovers of fashion and aesthetics, **It's All About Dresses** serves as the perfect source of inspiration.

After graduating from the prestigious London College of Communication, UAL, **Suzanne Middlemass** was first hired by Condé Nast in the late 2000s and has since had her street style and backstage photography published in numerous well-known fashion and lifestyle magazines such as *VOGUE*, *Elle*, *GQ* and *Grazia* as well as renowned style supplements.
