- Career retrospective from award-winning celebrity photographer Greg Gorman
- Stunning Hollywood portraits, including many previously unpublished images
- A journey through pop culture, especially post 1970s Hollywood

If Sir Elton John wrote the Foreword and director John Waters wrote the Afterword, then we're surely dealing with a major talent. In this 400-page retrospective, award-winning photographer Greg Gorman presents the finest shots of his half-century in Hollywood. Throughout his star-studded portfolio entitled, **It's Not About Me**, you'll find the likes of Leonardo DiCaprio and Johnny Depp at the beginning of their careers, as well as the iconic posters Gorman created for films such as *Scarface* and *Tootsie*, record covers for David Bowie, and magazine covers for Andy Warhol.
