<b>Price</b>	£40.00

- Gathers a broad range of Plensa's sculptures, writings, and collaborations in a single reference book

Besides an intense activity in the field of sculpture, which started at the beginning of the 80s, during the last two decades Jaume Plensa has shown a strong inclination towards theorisation, which is reflected in the progressive conceptualisation of his work. This book puts together a wide selection of his sculptures, writings and collaborative works.
