Price	£34.95

- Each building by this Geneva-based architectural team is based on a powerful idea that is often developed from the eminently urban location

Each building by this Geneva-based architectural team is based on a powerful idea that is often developed from the eminently urban location. The idea serves as the basis for sophisticated solutions for major residential developments, commercial and administrative buildings and houses that are often refined into architectural gems with a poetic appearance. Text in English and German.
