- Systematically presents 11 nationally recognised historic and cultural towns in Shanghai, showcasing the living heritage of Jiangnan culture on the urban fringe
- Features 86 heritage sites and 232 images, offering a multidimensional portrait of the historic fabric and spatial memory of these ancient towns
- Combines academic depth with practical value, including transportation guides and tour routes for in-depth cultural exploration

This book begins with ancient towns that epitomise the essence of Jiangnan culture, offering insights into the historical origins, cultural connotations, and distinctive values of 11 nationally recognised Chinese Historical and Cultural Towns in Shanghai. It presents 86 heritage sites and 232 landscape images, capturing the richness of Jiangnan culture across historical, cultural, and spatial dimensions. Supplemented with transportation guides and tour routes, the book invites readers to step into Shanghai's Jiangnan ancient towns, listen to their bygone tales, and experience the charm of this city.

Text in English and Mandarin.
